- For all other classes, final exams will be held during the regular class period on the last day of class.
- Weekend classes will meet as usual and are not required to adhere to the Exam Week Schedule. Their final exams will be held during the regular class period on the last day of class.
- Students with exam schedule conflicts must contact instructors before March 10, 2024.
- Any student having more than three (3) exams in any one day should contact the instructor of the last exam listed and ask for alternate arrangements for that exam.
- Faculty are not allowed to hold examinations lasting more than one class period during the last week of regular class. In addition, faculty only can reschedule exams outside of the regularly scheduled exam period with the unanimous consent of the students and with permission of the Chief Academic Officer/Provost.
