

CRIMINAL JUSTICE - ASSOCIATE IN CRIMINAL JUSTICE

A grade of C- or better is required in all Criminal Justice courses, Second Language courses, and any courses filling the Core Requirements.

A maximum of 3-5 credit hours of applied coursework may be counted towards a C J degree. PL S (Paralegal Studies) courses can never replace or substitute for a Criminal Justice (C J) course but may be used as electives within the 3-5 credits applied course limit. Please contact an advisor.

Students must complete all College degree requirements, which include: General Education requirements and elective credits to total at least 60 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.
