

Southeast New Mexico College

Fall 2023 Final Exam Schedule

Below is the final exam schedule for the Fall 2023 semester. All regular M/W and T/R classes will adhere to the exam schedule. Exams will be held in the room the course has met in throughout the semester. The instructor may or may not decide to require a final exam, however, the class must meet.

For all other classes, final exams will be held during the regular class period on the last day of class.

Weekend classes will meet as usual and are not required to adhere to the Exam Week Schedule. Their final exams will be held during the regular class period on the last day of class. Students with exam schedule conflicts must contact instructors before October 14, 2023.

Any student having more than three (3) exams in any one day should contact the instructor of the last exam listed and ask for an alternate arrangement for that exam.

Faculty are not allowed to hold examinations lasting more than one class period during the last week of regular class. In addition, faculty only can reschedule exams outside of the regularly scheduled exam period with the unanimous consent of the students and with permission of the Vice President for Academic Affairs. Students who feel that their rights have been violated should contact the Vice President for Student Services.
